

05 December 2025

Dear Parents / Carers,

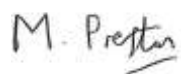

We have officially entered December, and with that the sheer volume of events happening around the school has been great to see. Following on from last week's assembly from Henley Bank, this week we had Hartpury visit our Year 11s. Well known for having some of the best facilities around, we had a number of students interested in what Hartpury has to offer. As well as some amazing work going on in our creative arts NEAs, Year 11s in Geography were also out on field trips down to Gloucester Quays on Tuesday and Wednesday. The feedback we received from the public about their behaviour was great to hear - they were a credit to themselves and us as a school community.

This Thursday saw the launch of our 12 days of Christmas attendance challenge - we have posted the picture below again for families to see what the offer is. These next two weeks are really important across year groups as we look ahead to assessments in our lower school, but also continuing our preparation for GCSEs in Key Stage 4. Please continue to try and support us with this - attendance really matters and we want to see our amazing students in school each and every day, and we will reward them for this!

Fun Friday this week was cake decorating, and lots of other events are on the horizon too...

Have a great weekend.

Yours sincerely

Mr M Preston – Headteacher
