

09 January 2026

Dear Parents / Carers,

We were delighted to welcome back our students on Tuesday, who have shown high levels of determination throughout the week. Our values are extremely important to us as a community, so it is excellent to see our students modelling these values each and every day. Students had their reset assemblies with Mrs Blackwood on Wednesday, and were reminded of why it is important for us to have high expectations - because all our students deserve the best possible education. We're proud that our students continue to get 5 times as many positive points as negative points, and we are already planning what our rewards will look like for students this term across both behaviour and attendance.

In the mornings and after school, we have reminded students to be extra careful during this challenging weather. Please remind students who use their bikes (in particular) to watch out for black ice. Our site team will continue to do all that they can to keep our school safe, but we are aware of students slipping over on Metz Way on the way to school. If your child takes that route to school, please remind them to stay safe (both on bike and on foot).

We wish you a safe and restful weekend.

Yours sincerely

Mr M Preston – Headteacher
