

16 January 2026

Dear Parents / Carers,

It has been quite a week at Barnwood Park. From Sixth Form assemblies, to some seriously good cooking in Food Tech, information on our Student Parliament and Year 11 academic progress evening, it has been a busy one. You may have also heard that we had a power outage for a short time during the week - students were so well behaved during this time, with focused learning going on in our classes. Some of our parents / carers might even remember what school was like before the internet (!), but our students certainly don't! Our focus on rewards and enrichment has continued throughout the week with all clubs now up and running, and it is wonderful to see students excited about their shout outs in assembly. Rewards points will contribute to further opportunities for our students, so please encourage our students to show respect, ambition, and kindness in particular - and we will of course reward them for their success!

Have a great weekend and we look forward to seeing our students return next week on Monday for Week 3 of the Spring Term.

Yours sincerely

Mr M Preston – Headteacher
