## Student Portal

Dear Parent/Carer,

We are pleased to announce the launch of our new online Student Portal in Term 3, an online web portal that brings together student information that can be accessed on any web-enabled device.

The Student Portal enables increased engagement with the school and provides a dedicated space to share student's information such as attendance and housepoints as well as timetables/classes and recent academic reports and PPE results for Year 10 and 11.

A dedicated smartphone app provides the added convenience of allowing access on Android and iPhones.

We will be launching this to your child next term and would ask that you take the time to ensure your child is able to access the portal using their school google account.

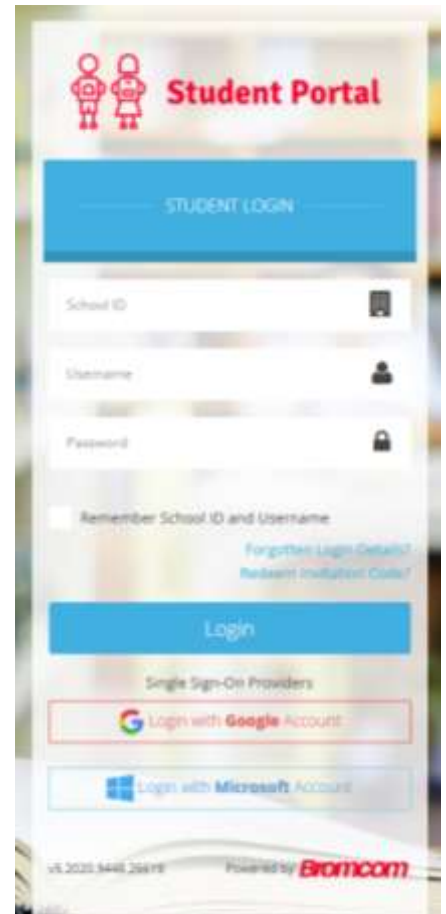

To login simply go to: <https://www.bromcomvle.com/> and select 'Login with Google Account'.

Should you have any difficulties logging in then please encourage your child to attend, the library session at lunch (KS3) or working lunch for Year 10 & 11, where a member of staff will be able to help them.

Kind Regards,

Mrs About
