

20 January 2026

Dear Parent and Carers

Y11 Information Evening Tuesday 27 January 2026

I am writing to invite you to the Year 11 Information Evening that will take place on Tuesday 27 January from 5.30pm – 6.00pm in the main school hall. The evening is an opportunity to share information regarding the Revision Conferences in February half term and during the Easter break; the upcoming set of Pre-Public Examinations; how to support students in the run up to the examination period which begins 8th May and a few details about the Y11 Prom at the end of the academic year.

The second series of Pre-Public Examinations take place from 9 February until 27 February. We have tried to timetable the longer examinations during morning sessions where possible. However, please note that on occasion an afternoon examination may run into Champions' Hour but we have tried to limit this as much as possible.

The PPE2 Timetable for the exams between 9 February and 27 February will go live on the Student Portal and MCAS App later today.

During the Y11 Information Evening you will be given:

- NEA conference days during February half term
- Information booklet that includes the subject content that will be examined in this series and suggested ways to revise for each exam.

Can I also take the opportunity to remind you of the additional open to all Year 11 to support their studies:

- Flying starts from 8.00 - 8.40 every day. Early morning opportunity for students to complete homework, revision or coursework each day.
- Working Lunch - A chance for students to complete homework, revision or coursework each day, while eating their lunch.
- Champions' Hour from 16.00-17:00 Monday-Thursday. An optional revision session - we provide a comfortable place to work with computer access and staff to help with any revision queries. Other departments have opened up rooms during this time to help support students with NEA coursework.

We are extremely pleased with how well Year 11 are working and striving to achieve their best, and we appreciate all that you have done to support them up to now and over the next few months.

I hope you find this information helpful and if you have any questions about the PPEs or about Year 11 please do not hesitate to contact me on raboud@barnwoodpark.co.uk I look forward to seeing you next Tuesday.

Yours sincerely

Mrs Rachel Aboud
