Dear Parents/Carers

In year 8, as part of our RSE scheme of work and legal requirements we will be encouraging our young people to explore attitude and values in a variety of relationships and how to recognise and manage risky situations. This will also include peer pressure and taking risks.

During the beginning of the year, with the support of the County's safeguarding board, we are able to engage the services of a Theatre Company to address this issue of Child Sexual Exploitation through the workshop 'Chelsea's Story' and work is completed around this play to understand what exploitation is and how this can happen.

We will also be looking at emotional health and what help and support we can give young people if they are finding things difficult.

Towards the end of the year we will look at body image and topics around communities and society – the use of AI is also included in this

If you have any queries about what will be covered in these lessons please do get in contact with either Ms Young or Mrs Biles

Kind Regards
